18: No School - MLK Day  
19: New Schedule Begin

Dear Parents / Guardian,

We are so excited to have your children back in school.

**New Second Semester schedule-** Effective January 19, 2020, students will start their new schedule. We will have virtual whole group classes with the teachers Monday - Thursday. On Fridays, students will be marked present when they sign into Raz Kids and Study Island to complete remote learning assignments.

Please check the school website and teachers message board to access changes to the schedule

**February 1, 2021**, students will take the **NWEA MAP test**. NWEA MAP Growth tests adapt to your child's responses to measure their skill level. If your child answers a question correctly, the next question is more challenging. If they answer incorrectly, the next one is easier. The data provides insight into whether our students are above, or below their current grade level.

As always, thank you for all that you do to support our school.

Happy New Year!
