

Dear Parents,

Thank you for doing your part in keeping students engaged in the online platform! We are so grateful for the sacrifices you have made to ensure your scholar is logged in. While we have several exciting events in the month of October, we want to make sure you are aware of the upcoming **NWEA** test the weeks of **October 5 -15, 2020**. NWEA MAP Growth tests adapt to your child's responses to measure their skill level. Since MAP Growth tests provide immediate and accurate information about your child's learning, it's easy for teachers

to identify students with similar scores that are generally ready for instruction in similar skills and topics, and then plan instruction accordingly.

We are expecting 100% participation online and 1.5 years' worth of growth in Reading and Math and the data will support our efforts to maximize our students potential. Please review the attached flier and plan to attend a **NWEA Parent Training session via Zoom on Wednesday, September 23, 2020 at 11:00** . Please check the website for Zoom information

As always thank you for all that you do to support our school. If you have any questions or concerns please email me at williamsp@pontiacacademy.org

Sincerely,

Pamela Williams
Elementary Principal
