Black History Month Fun Fridays
With Mr. Gillespie and Mrs. Martin

*Thank you Zeta Phi Beta Sorority
and Welcome Missionary Baptist
Church- Crystal Lake District for
donating coats*

Dear Parents / Guardian,

We are so excited that our scholars are returning to school Monday, **February 14, 2022**. Thank you for supporting our transition to in-person learning.

Next week, students will take the **NWEA MAP test**. NWEA MAP Growth tests adapt to your child's responses to measure their skill level. If your child answers a question correctly, the next question is more challenging. If they answer incorrectly, the next one is easier. The data provides insight into whether our students are above, or below their current grade level. After we have secured the results, our team will meet to discuss the progress of every student. Our goal is to ensure students receiving support are making progress and identify any new students who can benefit from these services. Please continue to encourage your child to do their very best.
