25: Report cards mailed

Summer Learning Academy
June 21 - July 15

1-2-3 Rhythm-to-Read
For K-2nd Grade Literacy

Dear Parents / Guardian,

Thank you all for your commitment to working with your children and continuing to maintain the rigorous academic goals of Pontiac Academy for Excellence. We know this new teaching paradigm has required a great deal from everyone involved.

We are pleased to announce our face-to-face Summer Learning Academy for students who need additional support. Summer school will begin the week of **June 21- July 15, 2021**. During the summer months, students who are not engaged in reading experience what educators call the “Summer Slide” . The Summer Slide is a decline in their reading ability and other academic skills over the summer months. To prevent the “Summer Slide”, the entire student body will be allowed to keep their chromebooks until the week of **July 12, 2021**. Weekly lessons will be posted on the school website. Please take full advantage of this unique opportunity and utilize the chromebooks to ensure your scholar is engaged in learning. **All chromebooks will be collected the week of July 12-14, 2021**

We are also offering a Summer Enrichment Program in the afternoon from 1:00 - 4:00. For more information please contact [Mr. Richard Menicucci](#), Athletic Director

As we anticipate the 2021-2022 school year, we are committed to delivering instruction in a safe way to our families. We will keep you timely informed of the latest development.

As always, thank you for all that you do to support our school. If you have any questions or concern please email me at williamsp@pontiacacademy.org

Sincerely,

Pamela Williams

Elementary Principal
