January 8, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-2019 educational progress for the **Pontiac Academy for Excellence Middle School**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Dr. Thursenia DeHart-Jones for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.pontiacacademy.org/2019-2020-annual-reports/> or you may review a copy in the main office at your child's school.

For the 2018-2029 school year, schools were identified using definitions and labels as required in Every Student Succeeds Act (ESSA). A **Targeted Support and Improvement (TSI)** school is one that has at least one underperforming student subgroup. An **Additional Targeted Support (ATS)** school is one that has three or more underperforming student subgroups. A **Comprehensive Support and Improvement (CSI)** school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Pontiac Academy for Excellence Middle School has received none of the above labels.

Pontiac Academy for Excellence middle school will focus on student growth and proficiency. We believe in promoting the academic potential of every student. To improve greater student academic achievement, PAE will continue the programs listed below:
