Greetings Parents,

We are celebrating Black History Month with many activities. Trivia questions will be announced daily. Your student should be bringing home reflections of lessons pertaining to Black History and Achievements. We will end the month with a celebration in the gym on February 27, 2020. We will showcase singing, dancing, poetry, and much more. Performance times are 1:00 & 2:00 in the gym. Please join us!

We have scheduled our "Senior Pinning Breakfast" on Thursday, February 20, 2020. This ceremony will take place in the Board Room. You will receive a formal invitation for this event.

After School Tutoring will begin on Tuesday, February 11, 2020 from 3:30-5:00. HS Math, English, Science, and Social Studies will be offered along with teacher assisted Edgenuity. MS English and Math will be offered. Permission slips must be filled out and returned to the front office.

We have started testing for NWEA and WIDA. Please make sure your student receives enough sleep and eats healthy foods. This is so important for best results.

COUNT DAY is February 12, 2020. This is an important day for the second allocation of educational funding. Please make sure your student is present. Special prizes may be available.

Our next School board Meeting is Tuesday, February 18, 2020 @ 4:15. You are welcome to join us!
